Perris Union High School District

RFP #042716 for Yearbook Services

<u>**RFI #1 – 04/22/16**</u>

- **Question**: School submission methods: Is it available to know which method each site is currently using/prefer? (InDesign or Web)

- **Answer**: As per page 12 of the RFP, please provide a web-based solution with the following capabilities:
    - Ability for all students to sign on at same time
    - InDesign Software or comparable publisher-based design software
    - Ability to run software on Chromebooks
    - Online book design program
    - Unlimited storage on vendor's server for all sites
    - History capability as backup
    - Ability for students to submit pictures to software via their cellphones (desired but not required)

        - Here is what each site is currently using:
            - Perris High School: Studio Works
            - Paloma Valley High School: InDesign
            - Heritage High School: InDesign
            - Pinacate Middle School: Studio 1 Web-Based Software
            - California Military Institute: Vendor Specific Web-Based Software
