NOTIFICATION CHANGES FOR 2015-2016

Below is a list of all the notification changes for the upcoming school year. Please refer to the page numbers indicated for the new or amended model language provided in both English and Spanish. Please also note that the changes are only visible (bolded and italicized) in the English version; however, the Spanish version does reflect the changes made.

Cal Grant Program **Pages 45-46**

Requires a grade point average (GPA) for all high school seniors at public schools to be submitted to the California Student Aid Commission (CSAC) electronically by a school or school district official. Pupils, or the parent/guardian of pupils under 18 years of age, may opt out of the program. A sample opt out form can be found on pages 89-90.

Concussions and Head Injuries **Page 19**

AB 2127 (Cooley) places limitations on high school and middle school football teams when conducting full-contact practices during the preseason, regular season and off-season. Clarifies the criteria that must be met in order for an athlete who is suspected of sustaining a concussion or head injury to return to the athletic activity. A revised information sheet can be found on pages 97-100.

Civility on School Grounds **Page 57**

Sample language has been expanded to include the addition of CC 1708.9 by AB 1256 (Bloom). It is unlawful for any person, except a parent/guardian acting toward his/her minor child, to intentionally or to attempt to injure, intimidate, interfere by force, threat of force, physical obstruction, or nonviolent physical obstruction with any person attempting to enter or exit any public or private school grounds. (This notification was previously titled, “Disruption in a Public School or Public School Meeting.”)

Competitive Athletics **Page 50**

SB 1349 (Jackson) requires public elementary and secondary schools, including charter schools, that offer competitive athletics, to make specified data publicly available at the end of each school year, beginning with the 2015-2016 school year.

Emergency Treatment for Anaphylaxis **Pages 20-21**

SB 1266 requires school districts, county offices of education, and charter schools to provide emergency epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use epinephrine auto-injectors to provide emergency medical aid to persons suffering or reasonably believed to be suffering from a life-threatening severe allergic reaction.

Health Care Coverage **Page 60**

For the school years beginning in 2015 and ending in 2018, AB 2706 (Hernández) requires public schools to provide parents/guardians information about health care coverage options and enrollment assistance. The information needs to be included on the school enrollment forms; a factsheet may also be provided to parents/guardians. Sample language is an additional form of notice for parents/guardians.

Homeless Youth Education **Page 24**
Sample language has been expanded to include the amendments to EC 51225.1 and EC 51225.2 by AB 1806 (Bloom) and rights of unaccompanied youth. The rights of homeless youth now mirrors those of foster youth related to the exemption of graduation requirements and issuance of partial credits.

Pesticide Products **Pages 31-32**
Sample language has been amended to include information regarding a schoolsite's integrated management plan. A revised information sheet can be found on pages 95-96.

Pupil Records Obtained from Social Media **Page 52**
AB 1442 (Gatto) requires a school district, county office of education, or charter school that considers a program to gather or maintain in its records any information obtained from social media to provide notice to parents/guardians of such program.

Sexual Abuse and Sex Trafficking Prevention **Page 52**
SB 1165 (Mitchell) authorizes school districts to provide sexual abuse and sex trafficking prevention education which includes instruction on the frequency and nature of sexual abuse and sex trafficking, strategies to reduce their risk, techniques to set healthy boundaries, and how to safely report an incident. An opportunity to opt out of the instruction, and assessments related to the instruction must be provided. The sample Parent Options Form found on pages 91-94 has been revised to include this.

Note: The following is a summary of the existing statutory attendance options only.

Residency – EC 48200 and 48204

A minor between the ages of 6 and 18 years is subject to compulsory education and, unless exempted, must enroll in school in the school district in which the residence of either the parent or legal guardian is located.

A pupil may alternatively comply with the residency requirements for school attendance in a school district, if he or she is any of the following: placed in a foster home or licensed children's institution within the boundaries of the school district pursuant to a commitment of placement under the Welfare and Institutions Code; a pupil who is a foster child who remains in his or her school of origin; an emancipated pupil who resides within the boundaries of the school district; a pupil who lives in the home of a caregiving adult that is located within the boundaries of the school district; or a pupil residing in a state hospital located within the boundaries of the school district.

Interdistrict Attendance – EC 46600 et seq.

The parent or legal guardian of a pupil may seek release from the home district to attend a school in any other school district. School districts may enter into agreements for the interdistrict transfer of one or more pupils for a period of up to five years. The agreement must specify the terms and conditions for granting or denying transfers, and may contain standards of reapplication and specify the terms and conditions under which a permit may be revoked. Unless otherwise specified in the agreement, a pupil will not have to reapply for an interdistrict transfer, and the school board of the district of enrollment must allow the pupil to continue to attend the school in which he/she is enrolled.

A pupil who has been determined by personnel of either the home or receiving district to have been the victim of an act of bullying, as defined in EC 48900(r), shall, at the request of the parent or legal guardian, be given priority for interdistrict attendance under any existing agreement or, in the absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement.

Asistencia Interdistrital – CE 46600 et seq.

El padre o tutor legal de un alumno puede solicitar un permiso de salida de su distrito de residencia para asistir a una escuela en cualquier otro distrito escolar. Los distritos escolares pueden firmar un contrato para el traslado interdistrital de uno o más alumnos por un período de hasta cinco años. El contrato debe especificar los términos y las condiciones para aprobar o denegar traslados, y puede contener normas para volver a solicitar y especificar los términos y las condiciones bajo las cuales puede revocarse un permiso. A menos que se especifique lo contrario en el contrato, un alumno no tendrá que volver a solicitar un traslado interdistrital y la mesa directiva del distrito escolar de inscripción debe permitir al alumno a seguir asistiendo a la escuela en la que está inscrita.

Un alumno que ha sido determinado por el personal del distrito de residencia o de inscripción preferida haber sido víctima de un acto de acoso, como se define en CE 48900(r), deberá, a petición del padre o el tutor legal, darse prioridad para asistencia interdistrital bajo cualquier acuerdo que existe o, en ausencia de un acuerdo, consideración adicional para la creación de un acuerdo de asistencia interdistrital.

District of Choice – EC 48300 et seq.

Some school districts may choose to become a district of choice, that is, a district that accepts transfer students from outside the district under the terms of a resolution. A school board that decides to become a district of choice must determine the number of transfers it is willing to accept and make sure that students are selected through a “random and unbiased” process, which generally means a lottery process. Students must request transfer into a district of choice by January 1 of the prior school year. A modified application process is available for relocated military personnel.

Distrito de Elección – CE 48300 et seq.

Algunos distritos escolares pueden optar convertirse en un distrito de elección, es decir, un distrito que acepta estudiantes traspasados fuera del distrito bajo los términos de un acuerdo. Una mesa directiva escolar que decide convertirse en un distrito de elección debe determinar el número de traslados que está dispuesta a aceptar y asegurar que los estudiantes sean seleccionados a través de un proceso “aleatorio e imparcial,” lo cual generalmente significa un proceso de lotería. Los estudiantes deben solicitar el traslado a un distrito de elección para el 1º de enero del año escolar anterior. Un proceso modificado de aplicación está disponible para personal militar traspasado.

Open Enrollment Act – EC 48350 et seq.

Whenever a student is attending a school on the Open Enrollment List as identified by the Superintendent of Public Instruction, the student may seek to transfer to another school within or outside of the district, as long as the school to which he/she is transferring has a higher Academic Performance Index. Parents of high school athletes should check on CIF sports eligibility rules before pursuing a transfer under this option. Transportation to any other school is the responsibility of the parent. School districts are allowed to adopt specific, written standards for acceptance and rejection of applications as long as students are selected through a “random and unbiased” process. Unless the school board waives the deadline, requests for transfers are to be submitted by January 1 of the prior school year. To apply, parents must directly contact the school district to which they seek to transfer their student. The Open Enrollment List can be found on the California Department of Education website at <http://www.cde.ca.gov/sp/eo/op/>.

La Ley de Inscripción Abierta – CE 48350 et seq.

Cuando un estudiante está asistiendo a una escuela en la Lista de Inscripción Abierta, identificada por el Superintendente de Instrucción Pública, el estudiante tiene la opción de solicitar el cambio a otra escuela, dentro del distrito o fuera del distrito, siempre y cuando la escuela a la que está transfiriendo tenga un mayor Índice de Rendimiento Académico (conocido en inglés como API). Los padres de los atletas de la escuela secundaria deben verificar los reglamentos de elegibilidad de los deportes de CIF antes de solicitar un cambio bajo esta opción. Transportación a cualquier otra escuela es la responsabilidad de los padres. Los distritos escolares están autorizados a adoptar normas específicas y por escrito de aceptación y rechazo de las solicitudes siempre y cuando los estudiantes sean seleccionados a través de un proceso “aleatorio e imparcial”. A menos que la mesa directiva renuncie el plazo, las solicitudes para un cambio deben presentarse antes del 1º de enero del año escolar anterior. Para solicitar, los padres deben comunicarse

directamente con el distrito escolar donde buscan transferir a sus estudiantes. La Lista de Inscripción Abierta puede encontrarse en el sitio web del Departamento de Educación de California, <http://www.cde.ca.gov/sp/eo/op/>.

Concussion and Head Injuries – EC 49475

Conmoción Cerebral y Heridas a la Cabeza – CE 49475

Requires, on a yearly basis, a concussion and head injury information sheet to be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. These provisions would not apply to an athlete engaged in an athletic activity during the regular schoolday or as part of a physical education course. A revised sample information sheet is provided on pages 97-100.

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. A school district, charter school, or private school that elects to offer an athletic program must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider. ***If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider.*** On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular schoolday or as part of a physical education course.

Una conmoción cerebral es una lesión cerebral que puede ser causada por un golpe ligero, un golpe fuerte o un movimiento repentino de la cabeza, o por un golpe a otra parte del cuerpo con fuerza que se transmite a la cabeza. Aunque la mayoría de las conmociones cerebrales son de poca seriedad, todas las conmociones cerebrales son potencialmente graves y pueden provocar complicaciones incluyendo daño cerebral prolongado y la muerte si no son reconocidos y administrados correctamente. Un distrito escolar, una escuela charter, o una escuela privada que elige ofrecer un programa atlético debe sacar inmediatamente de una actividad atlética patrocinada por la escuela para el resto del día un deportista que se sospecha de haber sufrido una conmoción cerebral o herida a la cabeza durante esa actividad. El atleta no podrá volver a esa actividad hasta que él o ella sea evaluada por y reciba autorización escrita de un proveedor autorizado de cuidado de la salud. Si un proveedor de cuidado de la salud determina que el deportista ha sufrido una conmoción cerebral o una herida a la cabeza, el deportista deberá completar un protocolo gradual de regreso al juego de no menos de 7 días de duración bajo la supervisión de un proveedor autorizado de cuidado de la salud. Cada año, una hoja de información sobre conmoción cerebral y heridas a la cabeza debe ser firmada y devuelta por el atleta y el parent o tutor del atleta antes de que el atleta inicie una práctica o competencia. Este requisito no se aplica a un atleta que participa en una actividad atlética durante el día escolar o como parte de un curso de educación física.

Confidential Medical Services – EC 46010.1

Servicios Médicos Confidenciales – CE 46010.1

A school district each academic year must notify pupils in grades 7 to 12, and the parents or guardians of all pupils enrolled in the district, that school authorities may excuse any pupil from the school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. Notice may be included with any other notice given pursuant to Education Code.

The California Attorney General in November 2004, opined that a school district may not adopt a policy under which the district will notify a parent when a pupil leaves school to obtain

confidential medical services, nor may a district require a pupil obtain written parental consent prior to releasing pupil from school to receive confidential medical services.

Note: Does not apply to K-6 school districts.

School authorities may excuse any pupil in grades 7-12 from the school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian.

Las autoridades escolares pueden excusar cualquier alumno en grados 7-12 de la escuela para recibir servicios médicos confidenciales sin el consentimiento del parent o tutor del alumno.

Authorizes parents to preclude release by notifying the school district. A revised sample form of the release of directory information is provided on pages 87-88.

“Directory Information” includes one or more of the following items: student’s name, address, telephone number, e-mail address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent public or private school attended by the student. No information may be released to private profit making entity other than employers, prospective employers and representatives of the news media, including, but not limited to, newspapers, magazines, and radio and television stations. Directory information may be disclosed without prior consent from the parent or legal guardian unless the parent or legal guardian submits a written notice to the school to deny access to his/her pupil’s directory information. El Distrito ha determinado que los siguientes individuos, oficiales, u organizaciones pueden recibir el directorio de información. Ninguna información podrá ser divulgada a entidad privada lucrativa aparte de empleadores, posibles empleadores y representantes de los medios de comunicación, incluyendo, pero no limitado a, periódicos, revistas, y emisoras de radio y televisión. El directorio de información puede ser divulgado sin previo consentimiento del parent o tutor legal a menos que el parent o tutor legal presente un aviso escrito a la escuela para denegar acceso al directorio de información de su estudiante. El directorio de información con relación a un estudiante identificado como un niño o un joven sin un hogar no podrá ser divulgado a menos que el parent, o un estudiante elegible, haya proporcionado un consentimiento por escrito para que el directorio de información pueda ser divulgado.

Emergency Treatment for Anaphylaxis – EC 49414

Tratamiento de Emergencia para Anafilaxia – CE 49414

Requires school districts, county offices of education, and charter schools to provide emergency epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use

epinephrine auto-injectors to provide emergency medical aid to persons suffering or reasonably believed to be suffering from a life-threatening severe allergic reaction (anaphylaxis).

Anaphylaxis is a severe and potentially life-threatening allergic reaction that can occur after encountering an allergic trigger, such as food, medicine, an insect bite, latex or exercise. Symptoms include narrowing of the airways, rashes or hives, nausea or vomiting, a weak pulse and dizziness. It is estimated that approximately 25% of the anaphylactic reactions occur during school hours to students who had not previously been diagnosed with a food or other allergy. Without immediate administration of epinephrine followed by calling emergency medical services, death can occur. Being able to recognize and treat it quickly can save lives. Recent changes to EC 49414 now require school districts to provide epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use epinephrine auto-injectors for any student who may be experiencing anaphylaxis, regardless of known history.

Anafilaxia es una severa y potencialmente mortal reacción alérgica que puede ocurrir después de haber sido expuesto a un elemento que provoca alergias tal como la comida, medicina, picadura de insecto, látex o el ejercicio. Síntomas incluyen el estrechamiento de las vías respiratorias, salpullido o urticaria, náusea o vómito, pulso débil y mareo. Se estima que aproximadamente 25% de las reacciones anafilácticas ocurren durante las horas escolares a estudiantes que previamente no han sido diagnosticados con alergias de comida u otras cosas. Sin la suministración inmediata de epinefrina seguida por una llamada a los servicios médicos de emergencia, puede resultar en la muerte del estudiante. El poder reconocer y tratar de inmediato puede salvar vidas. Cambios recientes al EC 49414 ahora requiere que distritos escolares provean epinefrina auto-inyectable a las enfermeras de las escuelas y personal capacitado y los autoriza a usar epinefrina auto-inyectable con cualquier estudiante que puede estar sufriendo de anafilaxia, sin tener que tomar cuenta el historial médico conocido.

Avoiding Absences, Written Excuses

Evitando Ausencias, Excusas Escritas

School districts may consider informing parents of the importance of regular attendance as follows.

Perris Union High School District urges parents to make sure their children attend school regularly and to schedule medical and other appointments after school or during school holidays. The district also asks that travel or other absences be avoided during the time school is in session. The higher the district's daily attendance rate, the more a student will learn and the greater the amount of funding that the district will receive from the state for classroom instruction and academic programs. The school calendar is designed to minimize problems for families which plan vacations around traditional holiday periods, and thereby minimize student absences.

Following an absence, a student is required to bring a written excuse from home when returning to school. Illnesses, and doctor and dental appointments are considered excused absences. Absences without a written excuse are recorded as unexcused.

Perris Union High School District anima a los padres que se aseguren que sus hijos asisten a la escuela regularmente y que programen las citas médicas u otras citas para después de clases o durante las vacaciones escolares. El distrito también pide que el viaje u otras ausencias sean evitadas durante el tiempo que la escuela está en sesión. La más alta el porcentaje de la asistencia diaria del distrito, lo más aprenderá un estudiante y el distrito escolar recibirá más fondos del estado para la enseñanza en el salón y programas académicos. El calendario escolar está concebido para reducir problemas para familias que planean viajes alrededor de vacaciones tradicionales, y de ese modo reducir las ausencias de los estudiantes.

Siguiendo una ausencia, un estudiante está requerido traer una excusa escrita de la casa cuando regrese a la escuela. Enfermedades, y citas médicas y con el dentista se consideran ausencias justificadas. Las ausencias sin una excusa escrita serán documentadas como ausencias sin justificación.

Tardiness

Children should be encouraged to be prompt as part of ******developing good habits***. They are expected to be at school on time. If a child is late, the child should bring an excuse from home to the school office. ******Repeated tardies in excess of 30 minutes lead to the student being designated as truant.***

La Tardanza

Los niños/as deben ser alentados a ser puntuales como parte del desarrollo de buenos hábitos. Se espera que lleguen a la escuela a tiempo. Si un niño/a llega tarde, el niño/a debe traer una excusa de la casa a la oficina escolar. Las tardanzas frecuentes en exceso de 30 minutos pueden ocasionar que el/la alumno/a sea designado/a como ausente.

Truancy Definitions – EC 48260, 48262 and 48263.6

A student is considered truant after three absences or three tardies of more than 30 minutes each time or any combination thereof and the absences or tardies are unexcused. After a student has been reported as a truant three or more times in a school year and the district has made a conscientious effort to meet with the family, the student is considered an habitual truant. A student who is absent from school without a valid excuse for 10% or more of the schooldays in one school year, from the date of enrollment to the current date, is considered a chronic truant. Unexcused absences are all absences that do not fall within EC 48205.

Definición de un Estudiante que Falta a la Escuela sin Justificación – CE 48260, 48262 y 48363.6

Se considera que un estudiante ha faltado a la escuela sin justificación (conocido en inglés como “truant”) después de tres ausencias o tres tardanzas por más de 30 minutos cada vez o cualquier combinación de los mismos y las ausencias o tardanzas no son justificadas. Después de que un estudiante ha sido reportado como “truant” tres o más veces en un año escolar y el distrito ha hecho un esfuerzo consciente para reunirse con la familia, el estudiante se considera un “truant” habitual. Un estudiante que está ausente de la escuela sin justificación válida por 10% o más de los días de un año escolar, desde la fecha de inscripción a la fecha actual, se considera un “truant” crónico. Ausencias sin justificación son ausencias que no caen dentro del CE 48205.

Arrest of Truants/School Attendance Review Boards – EC 48263 and 48264

The school attendance supervisor, administrator or designee, a peace officer, or probation officer may arrest or assume temporary custody during school hours, of any minor who is found away from his/her home and who is absent from school without valid excuse within the county, city or school district. A student who is an habitual truant may be referred to a School Attendance and Review Board (SARB).

Un estudiante que es un “truant” habitual podrá ser referido al Consejo de Revisión de Asistencia Escolar (conocido en inglés como “Student Attendance Review Board - SARB”).

Chronic Absenteeism – EC 60901

A student is considered a chronic absentee when he/she is absent on 10% or more of the school days in one school year, from the date of enrollment to the current date. Chronic absenteeism includes all absences – excused and unexcused – and is an important measure because excessive absences negatively impact academic achievement and student engagement.

Ausentismo Crónico – CE 60901

A un estudiante se le considera como un ausente crónico cuando él/ella está ausente el 10% o más de los días escolares en un año escolar, desde la fecha de matriculación a la fecha actual. El ausentismo crónico incluye todas las ausencias – con excusa o sin excusa – y es una medida importante porque las ausencias excesivas afectan negativamente el rendimiento y compromiso académico del estudiante.

4. To exercise the degree of control reasonably necessary to maintain order, protect property, protect the health and safety of pupils, and maintain proper and appropriate conditions conducive to learning.

Perris Union High School District se compromete a proteger a todos los estudiantes que estén a su cuidado. Todos los empleados del distrito son considerados informantes obligatorios, requeridos por ley a reportar casos de abuso y descuido de menores cuando hay una sospecha razonable de abuso o negligencia. Los empleados del distrito no pueden investigar para confirmar su sospecha.

Todas las quejas deben ser presentadas a través de un informe oficial, por teléfono, en persona, o por escrito, con una agencia del orden público local correspondiente (por ejemplo, la policía, el departamento del Sheriff, el departamento de libertad condicional del condado, el departamento de bienestar público/servicios de protección de menores del condado). Tanto el nombre del informante como el mismo informe serán confidenciales y no podrán ser divulgados salvo a las agencias autorizadas.

Los padres y tutores legales de los estudiantes también tienen el derecho de presentar una queja en contra de un empleado de la escuela u otra persona cuando se sospecha de abuso hacia un niño/a en la escuela. Las quejas se pueden presentar ante una agencia del orden público local; también se puede notificar al Distrito de algún incidente contactando al Departamento de Recursos Humanos al (951) 943-6369, ext. 80302.

Parents may try to use the school as a forum for disputing custody matters. If needed, the school district may consider including the following notification developed by the Culver City Unified School District:

Custody disputes must be handled by the courts. The school has no legal jurisdiction to refuse a biological parent access to his/her child and/or school records. The only exception is when signed restraining orders or proper divorce papers, specifically stating visitation limitations, are on file in the school office. Any student release situation which leaves the student's welfare in question will be handled at the discretion of the site administrator or designee. Should any such situation become a disruption to the school, law enforcement will be contacted and an officer requested to intervene. Parents are asked to make every attempt not to involve school sites in custody matters. The school will make every attempt to reach the custodial parent when a parent or any other person not listed on the emergency card attempts to pick up a child.

Disputas de custodia tendrán que ser atendidas por medio de las cortes. La escuela no tiene ninguna jurisdicción legal de negar a un parent biológico acceso a su niño y/o registros escolares. La única excepción es cuando existen órdenes de restricción o documentos de divorcio, específicamente indicando limitaciones de visitas, que estén archivadas en la oficina escolar. Cualquier situación de cesión que ponga en peligro el bienestar del estudiante será atendida al criterio del administrador o su designado. Si cualquier cuya situación altera la escuela, se solicitará la intervención de la policía. Les piden a los padres que hagan todo lo posible a no involucrar la escuela en asuntos de custodia. La escuela hará todo lo posible para comunicarse con el parent que tiene custodia cuando un parent o cualquier otra persona que no está listada en la carta de emergencia trate de recoger un niño.

Electronic Nicotine Delivery Systems (e-cigarettes)

Sistemas de Suministro de Nicotina Electrónicos (cigarrillos electrónicos)

With the rise in the use of electronic nicotine delivery systems (ENDS) among minors, schools are encouraged to adopt a policy to prohibit its use. Schools may also want to provide information to parents as a preventative measure.

The **Perris Union High** School District prohibits the use of electronic nicotine delivery systems (ENDS) such as e-cigarettes, hookah pens, cigarillos, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products on all district property and in district vehicles at all times. ENDS are often made to look like cigarettes, cigars and pipes, but can also be made to look like everyday items such as pens, asthma inhalers and beverage containers. These devices are not limited to vaporizing nicotine; they can be used to vaporize other drugs such as marijuana, cocaine, and heroin.

Section 119405 of the Health and Safety Code prohibits the sales of e-cigarettes to minors which means that students should not be in possession of any such devices. Students using, in possession of, or offering, arranging or negotiating to sell ENDS can be subject to disciplinary action, particularly because ENDS are considered drug paraphernalia, as defined by 11014.5 of the Health and Safety Code.

Perris Union High School District prohíbe en todas las propiedades del distrito y dentro de los vehículos del distrito en todo momento el uso de sistemas electrónicos de inhalación de nicotina (conocido en inglés como ENDS) los cigarrillos electrónicos, las pipas para fumar conocidas como "hooka", puros, y otros dispositivos que emiten vapor, con o sin contenido de nicotina, que imitan el uso de productos de tabaco. Por lo general ENDS se asemeja a los cigarrillos, puros y pipas, pero también se hacen de forma que simulen artículos de uso diario como las plumas, inhaladores para el asma y recipientes para bebidas. Estos dispositivos no están limitados a la vaporización de la nicotina; también se pueden usar para vaporizar otras drogas como mariguana, cocaína, y heroína.

La sección 119405 del Código de Salud y Seguridad prohíbe la venta de los cigarrillos electrónicos a menores, esto significa que los alumnos no deben tener posesión de cualquier de estos dispositivos. Los alumnos que usen, tengan posesión, ofrezcan, organicen o negocien la venta de ENDS estarán sujeto a una acción disciplinaria, particularmente porque ENDS es considerada una droga parafernalia, como está definido por el Código de Salud y Seguridad 11014.5.
