Dear Parent/Guardian:

The Perris Union High School District is dedicated to ensuring that each student achieves academic success. We are pleased to inform you that your child may be eligible for **FREE** after school tutoring through the No Child Left Behind Act.

As part of the No Child Left Behind Act, schools must make Adequate Yearly Progress (AYP) on state achievement tests. Title I schools that do not make AYP are given "program improvement" (PI) status. A school that stays in PI for two consecutive years must offer Supplemental Educational Services (SES), or tutoring, to students who receive free or reduced priced meals.

SES programs are free tutoring services offered by organizations and agencies approved by the California State Board of Education. These services provide eligible children with additional academic help and individual instruction they need.

This brochure includes information about the state-approved SES providers you can choose from if you would like your child to receive **FREE** tutoring. There are a couple of options for you to choose from:

OPTION 1:

Attend one of the following vendor fairs to meet the SES providers and sign up at:

Perris High School – MPR, August 27th from 6:00pm to 7:30pm

OR

Pinacate Middle School – GYM, September 3rd from 3:30pm to 6:00pm

OR

Heritage High School – Cafeteria, September 15th from 6:00pm to 7:30pm

OPTION 2:

Return the attached **Supplemental Educational Services Application Form** to the Student Service Center at 1151 N "A" Street, Perris, CA 92570 – Attn: Susan Smyth; or fax to (951) 943-9594, or email to susan.smyth@puhsd.org

Provider descriptions and the application form are also available on the district website (www.puhsd.org) under the Educational Services Division. If the number of eligible students who apply for the SES program exceeds the financial resources available, the lowest achieving students from low-income families will receive SES first.

You may contact Susan Smyth at (951) 943-6369; ext. 81109 and for Spanish contact Alice Kelly at (951) 943-6369; ext. 81111. We hope all eligible students and families take advantage of the wonderful opportunity to raise achievement and ensure success for every student.
