## **California Military Institute**

## 2014-2015 Educational Protection Account (EPA) Spending Plan

Proposition 30, The Schools and Local Public Safety Act of 2012, approved by the voters on November 6, 2012, temporarily increases state sales tax rates for all taxpayers and the personal income tax rates for upper-income taxpayers.

The new revenues generated from Proposition 30 are deposited into a newly created state account called the Education Protection Account (EPA). Local Education Agencies (LEA's) such as school districts, county offices of education, and charter schools receive funds from the EPA based on their proportionate share of the statewide revenue. A corresponding reduction is made to an LEA's revenue EPA entitlement. LEA'S will receive EPA payments quarterly beginning with the 2013-14 Fiscal Year.

Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent, but with these provisions:

The spending plan must be approved by the governing board during a public meeting. EPA funds cannot be used for the salaries or benefits of administrators or any other administrative costs. Each year, the local agency must publish on its website an accounting of how much money was received from the EPA and how the funds were expended.

California Military Institute's estimated 2013-2014 EPA Entitlement

\$ 1,148,606.00

## Education Protection Act 2014-15 Spending Plan

California Military Institute's plans to use 100% of the EPA funds to cover the salary and benefit costs of non-administrative certificated staff in the 2014-2015 school year.
