Welcome to Pinacate Middle School.

Many of you have completed the registration, the elective course selection, and your children have attended the elective assembly at Pinacate. We want to give you another look at the information we have provided over the past few months and encourage you to register, if you have not completed the online process. In the past, there has been a registration packet to complete, but it is now an online process. If you need assistance, please stop by the school between 8am and 11am and we will be happy to help you. If you have not registered, please follow the instructions for online registration listed below:

- Go to our district website at <http://www.puhsd.org> to register.
- Under "Parents", select "Registration", then select "New Student" and follow the directions.
- It is very important to complete registration in order for your student to be able to select their electives.
- If you do not have access to a computer or you need assistance with registration, you are welcome to use our registration kiosk Monday-Friday between the hours of **8am-11am**.
- Along with enrolling online you will need to provide the following:
 - **Proof of residency:** (Proof of residency can be any one of the following: electric bill, gas bill, water bill, or rental/lease agreement. The bill needs to be in the parent's name. If you are living with someone you need to provide a bill in that person's name.)
