Application Inside

Dear Parent/Guardian:

The Perris Union High School District is dedicated to ensuring that each student achieves academic success. We are pleased to inform you that your child may be eligible for **FREE** after school tutoring through the Every Student Succeeds Act (ESSA).

As our district transitions from No Child Left Behind (NCLB) to Every Student Succeeds Act (ESSA) we have elected to continue to provide paid private tutoring services to eligible students attending schools identified in PI Year 2 and beyond in the 2017–18 school year.

Supplemental Educational Services program are free tutoring services offered by private organizations. These services provide eligible children with additional academic help and individual instruction they need.

This brochure includes information about the SES providers you can choose from if you would like your child to receive **FREE** tutoring.

Return the attached **Supplemental Educational Services Application For Tutoring Form** to the Student Services Center at 1151 N "A" Street, Perris, CA 92570 – Attn: Susan Smyth; or fax to (951) 943-9594, or email to susan.smyth@puhsd.org

Provider descriptions and the application form are also available on the district website (www.puhsd.org) under the Educational Services Division. If the number of eligible students who apply for the SES program exceeds the financial resources available, the lowest achieving students from low-income families will receive SES first.

You may contact Susan Smyth at (951) 943-6369; ext. 81109 and for Spanish contact Alice Kelly at (951) 943-6369; ext. 81111.

We hope all eligible students and families take advantage of the wonderful opportunity to raise achievement and ensure success for every student.

Thank you,

Dian Martin
